The horse became frightened and unmanageable, and all efforts of Mrs. Fields to check him were in vain, and the vehicle was overturned, the occupant being hurled against the brick pavement. BRIGHT'S DISEASE AND DIABETES!
Have their origin in an Inactive or Disordered Liver. The most stealthy and fatal diseases confronting medical science, claiming more victims, annually, than war and famine combined. A puffiness under the eyes, paleness and scanty or too copious urine mark the beginning of Bright's Disease. When the liver is diseased, the kidneys in their effort to perform double work become affected. A simple "liver regulator" will not cure Kidney disease, for although it corrects the first cause, the Kidneys are still affected. A Kidney remedy will not do it, because the source of the disease is not reached. A cure is a remedy combining both, and

DR. THACHER'S LIVER & BLOOD SYRUP CURES

because it removes the cause and at the same time cures the Kidneys. It is the only preparation now on the market that actually cures. Weakness in the small of the back, pains in loins and groins, numbness of the thighs, high colored or scalding urine, milky or bloody urine, frequent desire to urinate, nausea, vomiting, colic, constipation, hot and cold flashes, furred or unnaturally red tongue. These are the symptoms of diseased Kidneys—don't neglect them. Only one remedy contains all the curative properties, scientifically combined, required in the treatment of Liver and Kidney diseases, and that is Dr. Thacher's Liver and Blood Syrup. A free sample and "Dr. Thacher's Health Book," with confidential advice, for the asking. Write today. All druggists, 50 cents and \$1.00 per bottle.

SUGAR MARKET

EASTERN SUGAR RECEIVED TO DAY WHICH WILL LAST SOME LITTLE TIME.

There is very little change in the sugar market here. Many cities report famines, but the one here has not been seriously felt yet except by those who buy direct from the wholesalers. Many of the retailers have enough to last them for sometime.

Last night one local commission merchant received a consignment of Eastern sugar from Jersey City, N. J., which will last some little time, but comes high. No southern sugar has yet been received.

Mr. and Mrs. A. J. Decker have gone to the fair.
